

I was lucky to have my roots built in a very welcoming yet rigorous, environment at IIIT Bhopal where I found myself able to communicate, innovate, and collaborate in ways that enabled me to build a successful career in Tech field, and eventually to move up in the corporate ladder to be part of management.

MADHURIMA SINGH

My four years in IIIT Bhopal have played a central role in my work and career. Apart from the technical skill that I learnt, the ability to collaborate in the face of conflict, logical mind-set which is vital to decision making, planning, and powerful communication was encouraged and drilled into each one of us.

ADITYA SINGH

IIIT Bhopal since its inception has been a breeding ground for developing best in class technocrats and encouraging all round personality development of its students. The rising coding culture of the college is phenomenal considering that this institution is pretty young.

DEEPALI

My journey at IIIT Bhopal has been a turning point in my life as this prestigious institution of national importance has helped me grow in various aspects. Interacting with the faculty and seniors has helped me grow in my academics and co- curricular activities. It has been a really productive time here in my learning years. It gives me immense pleasure to say that I could be a part of IIIT BHOPAL family.
